RE: United States v. Olisahemeka Franklin Ufele, 04-CR-1083, 04-CR-1090

Your Honor:

On June 30, 2005, Mr. Ufele pled guilty before Magistrate Judge Go to count one of superseding indictment 04-CR-1083 charging him with conspiring to commit bank fraud, and he also pled guilty to count one of superseding indictment 04-CR-1090 charging him with a separate bank fraud conspiracy. He is scheduled to be sentenced by Your Honor on September 3, 2009. The Probation Department estimates that Mr. Ufele's total offense level is 20, that his criminal history category is III, and that his guideline range of imprisonment is therefore 41-51 months. See PSR at ¶¶ 91, 108, 143. I do not dispute the Probation Department's calculation.

I attach here letters of support for Mr. Ufele that I ask the Court to consider in its determination of a reasonable sentence under the factors set forth in 18 U.S.C. § 3553(a).

Thank you for your consideration.

Respectfully Submitted,

Florian Miedel, Esq.

The bearer Franklin Emeka, Ufele has been known to me two years ago in the church. He is a devoted Christian, he participates in nearly all church programs.. He assists in training and education of the youth. He is the church assistant coordinator for outreach gift distribution to the community- sick people, children, families and the homeless. This program is sponsored by World Vision – a non profit organization in partnership with our church. He was in products distribution mission to the community when he got arrested for driving without valid license on September 15, 2008. I have known the above referenced since 1993. I know him to be dependable and humble. I can confirm that he is extremely dedicated to his family, church and community. Mr. Ufele is entirely peace loving. He is charitable, warm and sensitive to other's needs, he has volunteered at churches and Mental retardation Services Provider agency.

I can confirm that Franklin had informed me on several occasions that due to his cooperation with the US Government agency, him and his family in Nigeria have received several threats.
